

FOR <\$1/DAY

you can send a pro bono or legal aid advocate to the 2011 Equal Justice University

Equal Justice University (EJU), co-sponsored by the Tennessee Alliance for Legal Services (TALS) and the Tennessee Bar Association, is the annual gathering of advocates, professionals, and pro bono attorneys involved in providing civil legal assistance across Tennessee. EJU provides advocates a unique opportunity to gain up to 15 hours of Continuing Legal Education credits and connect with the access to justice community.

To provide this event our community needs your help. In these tough economic times, legal aid programs cannot afford to send *all* their advocates to this amazing training opportunity, so in 2010 TALS created the EJU Scholarship Fund. Now, for a \$250 donation to the EJU Scholarship Fund, a deserving advocate is offered the chance to attend EJU at no cost. This small donation has a broad reach, because it touches not only the individual advocate, but it enhances the quality of the civil legal services for the poor, elderly, and victims of domestic violence across Tennessee. Learn how you can donate now!
