## Why does [www.HELP4TN.org](http://www.HELP4TN.org) exist?

HELP4TN.org was designed to provide Tennesseans with a broad range of civil legal and social services resources in a one-stop venue. The site was conceived and created by the Tennessee Alliance for Legal Services (TALS) in partnership with West Tennessee Legal Services through a Technology Initiative Grant from Legal Services Corporation. TALS partners with legal service providers to compile legal information on key issues, and TALS partners with [The National Association of Social Workers, TN Chapter](#), on content to strengthen the social services referral network to families and children statewide.

By combining legal and social services resources in an easy to use format, [www.HELP4TN.org](http://www.HELP4TN.org) allows Tennesseans to address these two critical and often connected needs.
