### Our Work

TALS provides legal advice and referrals to Tennesseans through the 1-844-HELP4TN free legal helpline, legal information and forms through [www.HELP4TN.org](http://www.HELP4TN.org), and connections to pro bono attorneys for legal advice through [TN.FreeLegalAnswers.org](http://TN.FreeLegalAnswers.org). TALS also supports the civil legal aid organizations statewide through Continuous Legal Education courses and our annual training conference, Equal Justice University.

Our legal services provide a necessary service to low-income and vulnerable Tennesseans. In just twenty minutes:

- A free phone call with a HELP4TN free legal helpline attorney can provide legal advice and referrals to local resources, and empower the caller to take action on their legal issues.
- A free Legal Wellness Checkup can provide a person with education about their legal risks, legal rights and responsibilities, and personalized referrals on [HELP4TN.org](http://HELP4TN.org) to get help.

### Our Clients

TALS is a statewide organization and reaches all 95 counties in Tennessee.

What does 20 minutes mean to our clients?

- "The gentleman that I talked with was very kind... He helped me make up my mind on what to do and I appreciate him very much. We need more people like him." - 1-844-HELP4TN Caller
- "The attorney's compassion and advice lifted the weight of the world off of my shoulders." - 1-844-HELP4TN Caller
- "I knew what to do to help myself and my children. I had hope and could see the light." -
