About TALS' Training Sessions

A primary service offered by TALS includes training opportunities for attorneys, paralegals, and advocates within the legal services arena. Each year the organization holds multiple CLE trainings on various issues of substantive law, advocacy strategy, and administrative issues. The topics are chosen by the TALS task forces, representing the following areas:

- Employment Law
- Family Law
- Immigration Law
- Special Education/Juvenile Justice Law
- Health / Benefits / DCS Law
Housing/Consumer Law

These trainings are generally a partial or full day in duration, and are often available through our online training software for viewing after the event. Some events are also simulcast on the Internet for viewing during the training. For additional information about upcoming or previous trainings, please contact TALS' Executive Director Ann Pruitt.

All trainings are at TALS' office (50 Vantage Way, Suite 250, Nashville, TN 37228) unless otherwise indicated. Lunches are provided with training fees, as applicable. Parking at TALS is free in all lots touching the 50 Vantage Way parking lot. All posted times are central standard time.
