Volunteer

TALS wouldn't be able to reach as many people as we do without the help of volunteers and interns. TALS seeks the following types of volunteers:

Lawyers

Licensed Tennessee attorneys are invited to volunteer with tn.freelegalanswers.org or [1-844-HELP4TN](tel:1-844-HELP4TN).

Interns

TALS is currently accepting interns for Fall 2019. Unless otherwise noted, TALS does not offer paid internships so we request you follow-up with your school to see if you are eligible for school credit.

TALS accepts law school students, college students, and recent college graduates for internship positions. Law school student internships include legal issue spotting, legal research, document review, and more. Other college students or recent college graduates can intern in areas such as administration, training, communications, design, technology and more.

Volunteers

TALS accepts organizational volunteers for other areas such as administration, training, communications, design, and more. Law students and college students seeking internships for credit are welcome too.

TALS also seeks volunteers during Equal Justice University. This year's event is August 28 - 30, 2019. Volunteer activities would include:

- Before the conference, prepping materials like nametags, event bags, etc.
- Assisting with registering 200+ attendees and guests
- Ensuring each of four training rooms are prepared for each training session

- Coordinating with speakers to ensure they are ready to present

What's Next?

If you're interested in volunteering or interning with TALS, [contact Kirsten Jacobson](#) - please include which area of TALS' work most interests you.
